

2020 - NEW Online Safety Boot Ordering Process - 2020

Issued: April 30, 2020

All boots are to be ordered using the Chet's Shoes online selection and ordering process at <http://anacostiaboos.com/>

The first time an employee uses the system it will be necessary to register by contacting Chet's Shoes during normal business hours. This registration will provide log-in access and assist in communication for your boot order. See below for the phone number and email address for Chet's Shoes.

Selecting and Ordering Boots and Overshoes

- 1) Contact your supervisor/Safety Boot Administrator if your boots need replacing or you need to purchase overshoes.
- 2) Your supervisor/Safety Boot Administrator will determine if you are eligible for a new pair of boots/overshoes, advise you at that time and notify the Safety Boot Administrator.
- 3) Select an appropriate boot style and/or overshoe from the online site. All boots and overshoes fit "true to size." If you have any questions on sizing, style, and/or appropriateness of the boots/overshoes call Chet's Shoes. If ordering overshoes, order the same size as your work boot.

The price listed on the web site is the price you will pay including shipping cost. Complete the on-line order form and submit. If the boots are in stock, they will arrive in a few days or you will be promptly notified of any delay.

***Note:** Boot orders will be fulfilled once Chet's Shoes has received approval for the boot order from a designated Safety Boot Administrator. Once the approval and order are received, a confirmation email will be sent to the designated email address. A tracking number will also be provided so that you can track the shipment.*

When You Get Your New Boots

When you receive your new boots, wear them indoors on carpet before you wear them at work to make sure the boots fit properly. Your toes should not be in contact with the safety-toe portion of the boots. If there is any rubbing on the protective toe cap, call Chet's Shoes or contact your Safety Boot Administrator for assistance in choosing a different size or style.

Returns & Exchanges

Boots may be returned or exchanged at no cost to you. Call Chet's Shoes or contact your Safety Boot Administrator to set up a return or exchange.

Contact Chet's Shoes for on-line log-in help; assistance with boot sizes, styles, and selection; or to discuss returns/exchanges:
