## NEW YORK & ATLANTIC RAILWAY

### YOUR METRO DEVELOPMENT PARTNER

The New York and Atlantic Railway (NYA) has the right locations for your North American manufacturing or distribution facilities.

Operating over 270 route miles of track, we serve one of the world's largest metropolitan markets. Our diverse customer base connects with Canadian Pacific, CSX, Norfolk Southern, other regional railroads, and the entire North American rail network.

Businesses and consumers in Long Island, Brooklyn, and Queens depend on our railway for the goods that keep their economy thriving. Our service is frequent and reliable, with excellent access to Interstate 495 at most facilities.

Over the next 30 years, New York City's demand for commodities and goods will spur cargo growth by 40 percent, making NYA freight rail the best way to reach your markets.

We have many development and shipping opportunities. Contact us for more information on how we can help your business grow.
