

ORDERING INSTRUCTIONS & INFO

Subsidy Info: Anacostia offers eligible employees a subsidy toward the purchase of approved safety boots and overshoes. This subsidy will be provided when an employee's pair of boots needs to be replaced due to wear or damage.

ORDER ONLINE AT ANACOSTIABOOT.COM

Contact your Admin if you wish to order boots. Authorized Admins may call 1-833-253-1060 (Op 5) or email sales@chetsshoes.com to get employees set up with an online ordering account with the following info:

1. First and Last Name
2. Email Address
3. Phone Number

\*\*\*Please Note: Boots ordered at AnacostiaBoots.com will be fulfilled once Chet's Shoes has received approval for the boot order from a designated Anacostia Affiliate office administrator. Chet's Shoes will contact the Administrator for approval prior to processing your order. Once the approval is received, a confirmation email will be sent to the designated email address you provided. A tracking number will also be provided so that you can follow the UPS shipment. Please note that all orders are shipped to your work place.

BOOT & OVERSHOE SIZING AND SELECTION

All boots and overshoes fit "true to size." Call customer service at 1-833-253-1060 (Option 5) if you have any questions on sizing, style, and/or appropriateness of the boots/overshoes you are considering. If ordering overshoes, order the same size as your work boot (i.e. If you wear a size 10 work boot, please order a size 10 overshoe).

MEN'S TO WOMEN'S SIZE CONVERSION CHART											
Men's	3.5	4.0	4.5	5.0	5.5	6.0	6.5	7.0	7.5	8.0	8.5
Women's	5.0	5.5	6.0	6.5	7.0	7.5	8.0	8.5	9.0	9.5	10.0

RETURNS & EXCHANGES

Please contact your supervisor or designated administrator if you wish to make a return or exchange.

WHEN YOU GET YOUR NEW BOOTS

When you receive your new boots, put them on and wear them around your house on carpet for a while before you wear them at work to make sure the fit is correct. Make sure your toes are not in contact with the safety toe portion of the boot. If there is any rubbing on the steel toe cap, call 1-833-253-1060 (Option 5) for assistance in choosing a different size. Normally going up a half size will eliminate any rubbing on your toes.

Our Safety Rules include specific PPE requirements to reduce the potential for slips and falls during icy conditions. The rule reads, "Wear studded overshoes/boots or Due North traction accessories when working in icy and or snowy conditions. Only Company approved winter footwear and accessories may be worn." (See Safety Rules: T-17, M-29, A-15 or E-25). Overshoes can be ordered at minimal cost (80% subsidy) and winter traction aids are available at no cost from managers.
